Updates::

1. T-shirts and Masks order (Kevin): They are IN... at Raygun! Kevin has a meeting tomorrow, 10/14/20, via phone to decide how to distribute them. Most likely have a pick up at the store on their own, but then maybe move to Peirce for pick up. He has an invoice to send to Tanya. Should we have another way for students to pick them up? Provide them with the Airtable list. We will then troubleshoot how to get to families who are not able to pick up. Possible help needed at Raygun to sort shirts/masks. Kevin will report back to the Board. We can try to organize with Room Reps.
2. Pickles' Picks (Ann): Launched this month. We want to advertise businesses/restaurants because they have supported us. We are not asking for a donation back (but will not turn it down). We have shared this virtually. It will be shared to PSO (Kate). It was shared to staff (Kim). We want to be cautious and respectful because of other sponsorships, etc. Let's remember to give them a shout out from Peirce when we do go to their restaurant. Can we give them stickers to put in their window (Chad)? Kate/Ann started that process last year so we will circle back to that. Kearby mentioned thank you letters we discussed before from FOP to these businesses (specific and personal). Ann suggested a Peirce sign to place in their window- for now -to save money and circle back to this once we are fundraising again. Let's circle back to this via another Zoom meeting. Kim will check Peirce for signs. Nicole suggested promoting via Social Media more so.

Open Discussion: Nicole asked about teacher stipends. Joe, Tanya, and Becky explained it as how FOP has always supported teachers with a stipend each year for classroom needs. Each teacher gets \$150/year to spend as they see fit (not salary).

FOP aims to promote enrichment for all/most students (from Art Partnerships to Water Bottle Refill Stations, etc.).

Kevin mentioned John Gay and open FOP Board seats. We will postpone elections for now, but please join the meetings in the meantime!

FOP Meeting via Zoom adjourned at 7:35 p.m.
